

Vision

To encourage learners to be educated, acquire knowledge and wisdom so as to live a happy, successful and meaningful life.

Mission

To achieve the best possible academic standard by exposing every student to a holistic educational experience in an active and dynamic environment.

To develop self expression, self reliance, confidence, self esteem and eventually endorse self directed learning which is befitting the life in the rapidly changing world of the new millennium.

About SBBSU

Sant Baba Bhag Singh University (SBBSU) came into existence vide Sant Baba Bhag Singh University Act, 2014 (Punjab Government Act No.6 of 2015) and has been duly included in the list of UGC recognized Universities. This University has been established in the name of Sant Baba Bhag Singh Ji, who carried forward the mission of “NIRMAL PANTH” initiated by Sri Guru Gobind Singh Ji, Tenth Guru of Sikhs, to spread education for all round development of the

society, Sant Baba Bhag Singh Ji visualized that education and self help are the transforming forces for the upliftment of common man.

About Computer Science & Engineering

The Computer Science & Engineering, is one of the constituent units of the University Institute of Engineering & Technology in Sant Baba Bhag Singh University. It was established with the objective of producing professionals of international standard and to fulfill primary requirements of booming Computer Science, IT, mobile apps, and to promote research and development.

Vision of CSE

Empower every student to be innovative, creative and acquire skills in Computer Science & Engineering to enrich society and achieve a happy, successful and meaningful life.

Mission of CSE

Our mission is to provide a high-quality undergraduate and post graduate education in Computer Science & Engineering that provides all-round growth of an individual by creating futuristic environment that fosters critical thinking, dynamism and innovation to transform them into globally competitive professionals and empowering the youth in rural communities with computer education.

SBBSU-Institutional Innovation Cell (IIC)

Ministry of HRD has established MHRD's Innovation Cell (MIC) to encourage the creative energy of our student population to work on new ideas and innovation and promote them to create start-ups and entrepreneurial ventures. Higher Education Institutions (HEI) are the major force of learning young students and plays an important role in improving their skills. To fulfill the objectives of MIC, Sant Baba Bhag Singh University has

established Institutional Innovative council (IIC) in the campus. The SBBSU Innovation Council have been registered with MHRD-AICTE under the leadership of worthy Vice Chancellor and emphasized on the importance of Critical and Design thinking on 20th November, 2018.

About the seminar:

- Innovation Champions are essential to the innovation culture because they provide the practical, day-to-day support and tools that are essential.
- This seminar is an outstanding learning experience that will enable us to accelerate innovation results by giving the tools to identify and support innovative individuals and teams, and helps to create and manage effective innovation initiatives throughout the organization
- This seminar teaches how to optimize learning for maximum insight, how to turn insights into good ideas, and good ideas into great innovation
- The seminar provides knowledge needed for establishment of one's own enterprise, and also aims to encourage entrepreneurial mindset of students.
- The seminar promotes new knowledge/ technology/ innovation based startups.
