Sub: Research Project under Seed Money for Research

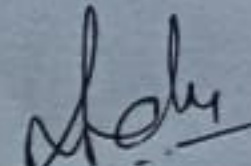

Dear Dr. Amrinder Singh,

This is with reference to your project titled "Motor current signature based condition monitoring of external drivetrain bearings" submitted under seed money for research for the year 2022. I am happy to inform you that an amount of Rs. 150000 for your project has been approved by the competent authority. Your project execution will be subject to the below mentioned terms and conditions during the entire period of project and after the completion of project:

1. The duration of project will be one year which can be further extended to six months by the approval of competent authority. The date of start of project will be the same on which date you will receive the money from the finance department of Sant Baba Bhag Singh University.
2. You will be required to submit the progress report after every six months from the start of the project to the R&D Cell.
3. You will be required to submit the statement of expenditure and Utilization Certificate (UC) to the finance department after every six months from the start of the project.
4. You will be required to submit project completion report to the R&D within one month of the completion of your project.
5. You are required to publish at least one SCI/ UGC care list/ NAAS rated 5 or above publication within six months of the project completion. Any publication arising from project work must contain the project no. / Ref. No.
6. Patent/ Technology/ any IP generated from project work will be the University property and will be shared/ disseminated/ transferred as per university norms.

Sincerely,

Dr. Vikas
