Subject: Seeking permission for organizing a tree plantation drive.

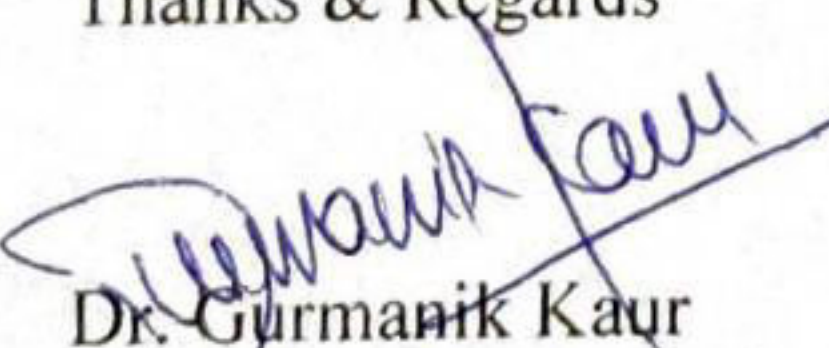

Respected Sir,

With due respect, the student council, SBBSU, seek your permission to hold a tree plantation programme in the university campus.

Trees represent life, growth, peace and nature. They produce oxygen, clean soil, prevent drought, control flood related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints.

I sincerely hope that you would grant us permission to organize the tree plantation programme in the campus so that we can create awareness about tree plantation among the university students.

Thanks & Regards
