The summarized report of the observations and the suggestions during the academic audit of the departments by the experts is given below:

### Teaching-Learning and Evaluation

1. Ratio of Mentor-Mentees observed satisfactory, but group of students should be small students per teacher so that student can be guided and counseled at the best.
2. ICT enabled resources for teaching learning process were suggested to be updated.
3. More Experts lectures/workshops/seminars from renowned academicians were proposed.
4. In the Department of Law, learning resources in Departmental Library needs to be updated.
5. Adjunct faculty and visiting professors should be engaged in the departments.

### Curricular Aspects

1. In the Department of Computer Science Applications, inter-disciplinary courses, value added courses were suggested to be included in the curriculum.
2. In most of the programmes Choice Based Credit System is implemented and syllabus is revised time to time.
3. In the Department of Education, more elective courses were suggested to be added in the curriculum of M.Ed
4. Few departments are not offering the cross-cutting courses related to gender equity.
5. Feedback is taken from the various stakeholders in all departments, and it is recommended that action should be taken as per the feedback from the stake holders.

## Research, Innovations and Extension

1. There should be more focus on MoUs and Collaborations at National/International levels with reputed institutes/universities.
2. Faculty should be encouraged to publish more research papers in SCI-indexed journals.
3. Consultancies need to be promoted.
4. Interdisciplinary research should be encouraged in the university.
5. Departments should conduct conferences; seminars, workshops related to research and development and should motivate the faculty to organize and participate in more conferences.
6. Establishment of Incubation Center and start-ups for students were suggested to be initiated.
7. More efforts are required to obtain funding from government/non-government organizations through research projects.
8. Specialized central research facility with advanced laboratory facilities/equipment should be established in the university.
9. Legal awareness camps, tree plantations, Physiotherapy camps, village camps and other extension activities are well organized regularly by the departments.

## Student Support and Progression

1. Department should take initiative to encourage and guide students for various competitive exams.
2. Initiatives are required for attracting reputed companies for Placement of the students.
3. In most of the departments, Student-Teacher ratio was observed to be good.
4. Participation of students in the National/Inter-University activities /NSS/NCC/Sports should be encouraged.
5. In some programs, demand ratio needs to be improved.
