The summarized report of the observations and the suggestions during the academic audit of the departments by the experts is given below:

Teaching-Learning and Evaluation

1. Establishment of Smart classrooms with ICT enabled resources were suggested by external experts.
2. The ratio of Mentor-Mentees was observed to be satisfactory.
3. Recruitment of professors was suggested by experts.
4. More Expert lectures/workshops/seminars from renowned academicians were proposed.
5. Adjunct faculty and visiting professors should be engaged in the departments.

Curricular Aspects

1. Offering of cross-cutting courses related to gender equity and human values was suggested.
2. In most of the programmes, Choice Based Credit System is implemented and syllabus is suggested to be revised according to NEP.
3. In the various departments, inter-disciplinary courses, value added courses were suggested to be included in the curriculum.
4. Parents and alumni feedback should be taken while curriculum designing.

Research , Innovation and Extension

1. Research orientation activities should be encouraged.
2. There should be more focus on increasing the activities under existing MoUs and Collaborations.

3. To give more industry exposure to the pupils, it is suggested that more emphasis should be laid on industrial visits and other industry-academia activities.
4. The existing consultancy work is satisfactory and expert suggested engagement of more departments in the consultancy activities.
5. Interdisciplinary research among various departments should be encouraged in the university.
6. Seed money should be provided to the faculty members to promote research.
7. A central instrumentation facility should be established.
8. Awareness activities should be conducted in the adopted villages of university.

Student Support and Progression

1. Department should take initiative to encourage and guide students for higher studies.
2. More placements drives should be conducted for the students.
3. Participation of students at the international level activities should be encouraged.
4. The number of activities should be increased which will enhance the communication skills of the students.
5. The expert suggested that students with excellent performance in academic as well as extracurricular activities should be honored.
6. Alumni should be encouraged to contribute towards the university.

Director IQAC, SBBSU

Dr. Dharmjit Singh Parmar
Vice-Chancellor, SBBSU
